

**EMERGENCY TELEPHONE NUMBERS
FORT McPHERSON
&
FORT GILLEM**

Military Police, Fire, and Medical Emergencies

Dial 911, when using telephones hard wired in family quarters.

- 1. Use of the hardwired Garrison phones should route emergency calls to the Military Police desk.**
- 2. Hard-wired phones will provide for a more timely response from Garrison Military Police, and Fire Department units.**

Dialing 911, when using cell phones

- 1. When calling from Fort McPherson you will contact a 911 operator at East Point or Atlanta.**
- 2. When calling from Fort Gillem you will contact a 911 operator at Forest Park or Clayton County.**
- 3. In either case, alert the 911 operator which fort you are calling from and to notify the respective fort.**
- 4. Use of cell phones, may cause a delayed emergency response time.**

Alternate, emergency telephone numbers that can be dialed, using a cell phone or hard-wired Garrison telephone, to make direct contact with Military Police or Fire Department personnel.
